

GRILL2GO X200

FEATURES

- ★ Patented TRU-infra-red technology eliminates hot and cold spots to cook food evenly - promising juicier food and fewer flare-ups
- ★ Lightweight long-lasting die cast aluminium fire box and lid fitted into a high impact, rugged plastic leg frame
- ★ Durable and efficient stainless steel burner can be easily adjusted to deliver high heat or very low temperatures
- ★ Lid-mounted temperature gauge
- ★ Large stainless steel cooking grill (fits 12 hamburgers)
- ★ Push-button piezo electric ignition for easy lighting, hidden inside leg for protection
- ★ Front access drip tray for easy cleaning
- ★ Operates on a non-refillable propane canister (PROCAN1B) or LPG cylinder with hose and adaptor (HA8-QCC-15) sold separately
- ★ Approved to NZ Standards

Warranty

- ★ 5 years - Stainless steel burner, firebox and lid
- ★ 1 year - Other parts

RRP \$499
