

KETTLEMAN

FEATURES

- ★ Patented TRU-infra-red technology eliminates hot and cold spots to cook food evenly - promising juicer food and fewer flare-ups
- ★ Versatile kettle design means you can BBQ, roast, bake and smoke
- ★ Vitreous enamel no-fall-through 21¼" (54cm) grill keeps food on top, prevents flare-ups and distributes heat evenly
- ★ Hinged lid with latch provides easy access to charcoal and food
- ★ Lid-mounted temperature gauge monitors internal heat level
- ★ A super-sized damper on the lid opens to let heat out and closes to increase cooking temperature
- ★ Slide-in removable ash bowl for easy cleaning
- ★ Handy storage rack and wheels for portability

Warranty

- ★ 10 years - Firebox and lid
- ★ 5 years - Ash pan
- ★ 2 years - Other parts
